

Volunteer: Southwest Employees

TCVA is looking for Southwest Employees who would like to volunteer to their time. Southwest Employees volunteer and turn Southwest provides tickets for TCVA to raffle off. The tickets are raffled off and money goes to the TCVA Heritage Center. Dennis "Coach" Warren, Southwest pilot has been giving his time, talent and tickets to TACAMO Community Veterans Association since 2016.

Southwest rewards volunteering employees with Tickets 4 Time (T4T)

T4T puts a nice twist on corporate volunteering programs, since rather than simply match donations, Southwest is offering their employees the opportunity to earn tickets for nonprofit organizations of their choosing. In Southwest's words: "We know that our employees do so much for so many organizations and T4T is a great way for Southwest to applaud and encourage employee volunteerism." Last year Southwest staff collectively volunteered more than 45,000 hours to nonprofit organizations across the country, about one volunteer hour to every Southwest employee.
